

Holy Sepulchre Cemetery

Holy Sepulchre Cemetery is located 2 miles west of Gretna at 231st street and Schram Road. The cemetery is maintained by the Holy Sepulcher Cemetery Association. Both in-ground and columbarium niches are available to meet the needs of parishioners and our community.

Calvary Cemetery

St. Patrick's also owns and maintains the historic Calvary Cemetery. In 1858, there were no Catholic cemeteries in Sarpy County when local resident Mary Thomas died. She subsequently was buried on the family farm, located near present day South 240th street. Other family members and neighbors were later buried there. Named Calvary Cemetery, but often referred to as the "Thomas Cemetery," it is surrounded by private land to which St. Patrick's was gifted an easement for access to this historic cemetery.

“Death, seen through the eyes of Christian faith, is not an end in itself. It is simply a natural passage to eternal life with God. Burial in a Catholic cemetery is both an expression of our faith and a statement of our continued hope of our own resurrection. These consecrated grounds hold the earthly remains of our family members and friends who have shared their love, fellowship and faith with us.”
